### **Sec. 16.03. General Standards for Approval**

Each application for a special land use shall be reviewed for the purpose of determining that the proposed use meets all of the following standards:

1. The use shall be designed, constructed, operated and maintained so as to be harmonious and compatible in appearance with the intended character of vicinity.
2. The use shall not be hazardous nor disturbing to existing or planned uses in the vicinity.
3. The use shall be served adequately by existing or proposed public infrastructure and services, including but not limited to, streets and highways, police and fire protection, refuse disposal; water, wastewater, and storm sewer facilities; electrical service, and schools.
4. The use shall not create excessive additional requirements for infrastructure, facilities, and services provided at public expense.
5. The use shall not involve any activities, processes, materials, equipment or conditions of operation that would be detrimental to any person or property or to the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, odors or water runoff.
6. Where possible, the use shall preserve, renovate and restore historic buildings or landmarks affected by the development. If the historic structure must be moved from the site, the relocation shall be subject to the standards of this section.
7. Elements shall relate the design characteristics of an individual structure or development to existing or planned developments in a harmonious manner, resulting in a coherent overall development pattern and streetscape.
8. The use shall be consistent with the intent and purposes of the zoning district in which it is proposed.

### **Sec. 16.04. Special Land Use Applications**

All land for which an application for a special land use permit is made shall be owned by the applicant or by a person who has consented, in writing, to the application. The parcel must be capable of being planned and developed as one integral land use unit. Noncontiguous parcels may be considered. The application must be signed by the applicant and by the owner or a person with the owner's written consent and must contain:

1. A site plan as described by this Zoning Ordinance;
2. A statement of present ownership of all land which is the subject of the request;
3. An application fee. This application fee shall be non-refundable.
4. Upon the request of the Planning Commission, the applicant shall provide such other information pertinent to the special land use application. Failure of the applicant to provide such requested information within a reasonable time may be grounds for denial of the application.
5. The Village Council will have Final Approval for all Special Land Use permits.
6. If the application is approved, the applicants shall pay all Register of Deeds recording fees to record the special land use permit.
