Pledge of Allegiance -

Acknowledgment of Visitors and/or Special Presentations - B.O.S.S Committee updating with some proposed plans for Ohmer Park. Confirming that the field will be tiled and fixed in the near future. D.P.W has this on a high priority list as promised to the B.O.S.S committee several months back. Also want to inform (for budget purposes) that it has been found that the lights on the ballfield are not fixable as hoped. Estimate for lights only is \$3,000 - \$5,000 plus reduced rate labor and rental of a lift. Additional modifications include but are not limited to; Rebuild storage shed and pressbox, replace backstop fence, paint dugouts and bleachers, new benches on the hill, and build new \ replace steps going down hill. Bodeis Park will get minimal field repair this year and most likely the planned improvements will be put off until next year with the additional cost for lights at Ohmer Park this year.

Discussion - The Village office is officially moved into the Belle Gray Building (Old Mayville State Bank). Temporary entrance for the Village office is on the back\ drive through side. Will be placed up front once office construction is completed. Will be sending out postcards notifying residents of the change. Planning for an open house in April.
